About The Building

Newpark Shopping Centre is situated on the corner of Lennox and Bultfontein road.

The development is only a stone throw from the centre of the CBD and sits right in the heart of the hustle and bustle of Kimberly.

The area has ample foot and car traffic which creates constant activity throughout the day and night.

With Absa and Standard bank head offices positioned right across the road and four other substantial grocers in close proximity, this area is always buzzing with activity.
